Felton Library and Nature Discovery Park

Building in Progress

Illustration of new Library

A new Felton Library is currently under construction and will replace its former home, an historic landmark building built originally as a Church in 1893 and opened as a library in 1956. The new Felton Library will allow for larger collection capacity, technology upgrades, environmental literacy and a connection to the outdoors. The project includes a Nature Discovery Park. Both the new building and park will enhance and highlight the existing riparian landscape through innovative design features.

This environmentally innovative project is a partnership between Santa Cruz Public Libraries, Santa Cruz County Parks Department, San Lorenzo Valley Water District and community partner Felton Library Friends. Local architect Teall Messer, Thompson Builders and interior architects Noll and Tam have been contracted to create the new project. Funding sources for the Felton Library project includes a 2016 Library Bond, State grants, a 2018 state budget allocation, and donations from community members making gifts large and small.

Local artist, Lea de Wit, has been commissioned to create 200 colorful, hand blown glass butterfly sculptures, roughly 9" in size for the new Felton library. Many of the butterflies will be wall-mounted as well as suspended from the ceiling throughout the main area of the library, primarily in the children's area. The installation will have a vibrant color scheme, transitioning from traditional Monarch oranges to color interpretations of other native butterflies. These beautiful pieces will echo the nature theme of the design and add a unique, custom element to the building.

BUDGET INTRODUCTION

This budget document conforms to the reporting standards imposed by the State Controller of California. This official document contains many schedules and summaries designed to satisfy the needs of knowledgeable budget users, analysts, accountants and statisticians. Consequently, we have prepared the following foreword to present an overview of the budget which is adopted by the Board of Supervisors in much greater detail herein.

- The total budget or spending plan for the 2019-2020 fiscal year can best be presented in three parts: the general government fund, special revenue funds and special district funds governed by the Board of Supervisors. The table below summarizes these fund types.

General Fund	\$	580	Million
Special Purposes Revenue Funds		93	Million
Subtotal		673	Million
Special District Funds - Non Enterprise		50	Million
Total Governmental Funds and Board Governed Special Districts	\$	723	Million

- The chart below shows the distribution of governmental funds, which include the general and special revenue funds, by functional areas of government.

- The next chart shows the revenues by source that support the governmental funds, including the general and special revenue funds.

The chart above shows that 49% of revenues are derived from the State of California or the Federal government. This chart demonstrates the extent of mandated State and Federal programs that are carried out by our county government.

- The following chart reflects the net county cost as percentages by functional area of the general fund balance financed from local revenues.

- The following chart shows the increase in the County's population over the past ten years, as well as the change in the number of County full time equivalent (FTE) employees.

- This chart shows the change in the County's General Fund budget over the past ten years in actual dollars, and that amount adjusted for the growth in the Consumer Price Index and County population over ten years.

The table below shows the adopted budget for governmental funds by County Department or Activity. This table also reflects the number of employee positions authorized by the Board of Supervisors.

Executive Summary

Adopt the Santa Cruz County Final Budget for Fiscal Year 2019-2020 in compliance with California Government Code §29088.

Background

California Government Code §29088 requires your Board approve the Final Budget by resolution no later than October 2 of each year. The Adopted Budget adjusts the Proposed Budget presented in June 2019, and includes changes resulting from the financial year-end closing processes and changes authorized during budget hearings and summarized in the Concluding and Last Day actions.

Analysis

The Final Adopted Budget includes budgets for the County General Fund, Special Revenue Funds (primarily the Road Fund and Housing Funds), Less than County Wide Funds (Library and County Fire funds), Board of Supervisors Governed Special Districts, and Internal Service and Enterprise Funds.

Final budgeted appropriations are summarized below:

General Fund	\$579.9 million
Special Revenue Funds	79.2 million
<u>Less than County Wide Funds</u>	<u>13.5 million</u>
Total Governmental Funds	\$672.6 million

Special Districts and other Agencies (Board of Supervisors Governed)	50.5 million
Internal Service Funds	112.8 million
<u>Enterprise Funds</u>	<u>33.3 million</u>
<u>Total Appropriations for All Funds</u>	<u>\$ 869.2 million</u>

This Budget includes \$58.4 million that has been reserved in the General Fund for specific purposes. These reserves are detailed on page 4 of the Adopted Budget. The total Committed and Assigned Reserves of \$56.7 million represents 10% of the General Fund operating revenues in accordance with the County's Fund Balance Policy. The Board set a goal of 10% General Fund Reserves by FY 2020-21. In addition, the General Fund appropriations include a contingency of \$5.6 million, as found on page 24 of the Adopted Budget.

The total number of authorized positions is 2,557.01, as shown in the Adopted Positions column on page 197 of the Adopted Budget.

The Adopted Budget adjusts the Proposed Budget presented in June 2019, and includes changes resulting from the financial year-end closing processes and includes all changes approved by your Board during the budget hearings including changes authorized in the Concluding and Last Day actions as reflected in the summary below. Consistent with prior years, staff intend to bring a Mid-Year Fiscal Update to the Board of the status of this Budget.

The 2019-20 General Fund (GF) Proposed Budget (PB) to Final Budget Reconciliation

The final FY 2018-19 year-end available Fund Balance carryover for the General Fund was \$11.5 million as shown on page 3 of the Adopted Budget.

The FY 2019-20 Proposed Budget estimated a projected carryover of \$8.8 million, less an increase to reserves of 2.64 million, for a net available fund balance of \$6.2 million. This resulted in an increase to available Fund Balance of \$5,243,679 to be used in accordance with your Board's Last Day and Concluding Direction as detailed in the table below.

Meeting Date: September 10, 2019

Recommended Action(s):

Adopt and sign the attached resolution fixing and levying the 2019-2020 tax rates, as outlined in Exhibit A, pursuant to the State Constitution.

Executive Summary

As required by Government Code Section 291000, on or before October 3 of each year, the Santa Cruz County Board of Supervisors shall adopt by resolution the rates of taxes on the secured roll. For voter-approved indebtedness, the Board shall adopt the rates to provide taxing agencies with the necessary revenue to pay the annual principal and interest charges on voter-approved indebtedness.

Background

The secured property tax rates include the one percent limitations specified in Article XIII A of the Constitution of the State of California and the voter approved indebtedness. In accordance with Section 29103 of the Government Code, the Treasurer - Tax Collector completed calculation and review of the required tax rates to be applied on the Secured Roll based upon current law.

Analysis

The tax rates have been computed by request from schools, special districts, and cities per Government Code Section 29103.

Financial Impact

The collection of taxes is necessary to enable the various entities to finance Fiscal Year 2019-20 operations and debt service requirements.

Strategic Plan Element(s)

6.a (County Operational Excellence: Customer Experience) - The agenda item addresses this goal by ensuring adequate funding is in place to support community needs and obligations.
