## DEFERRAL OF REPORT BACK ON IMPEDIMENTS TO LAW SCHOOL RECRUITMENT

Dear Members of the Board:

As you may recall, on June 20, 2005, your Board requested the staff work with the District Attorney on efforts to resolve any impediments to law school recruitments and report back to your Board on that effort on January 24, 2006.

The Personnel Department and the District Attorney Department have met to discuss this issue and additional research is continuing. Additionally, the District Attorney is attending the Annual California District Attorney Association Conference out of the area the week of January 23, 2006.

Given the need to complete the additional research and ensure the District Attorney is included in the discussion on ~~this~~ matter before your Board, it is therefore recommended that your Board approve the deferral of this report back until your Board's February 28, 2006 meeting.

Very truly yours,

Dania Torres Wong  
 Personnel Director
