SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: THIRTY-EIGHTH AVENUE AND GARDEN STREET IMPROVEMENTS

Members of the Board:

The plans and specifications for the subject project are complete and have been placed on file with the Clerk of the Board for your consideration and approval. The project provides for the construction of the subject roadway, roadside, and drainage improvements. The project, however, does not include a pavement overlay of the County portion of 38th Avenue since this is scheduled for summer 2006 in the County Pavement Management Program (Redevelopment Agency funded overlay).

The total engineer's estimate for this project is \$179,681, not including contingencies and administration costs. Funding for this project is included in the Redevelopment Agency Budget. That portion of this project which lies within the Capitola city limits, estimated at \$20,540, will be funded by the City of Capitola. A cost share agreement with the City of Capitola will be included when we return to award this project with your Board. There will be no charge for these plan sets.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the plans, specifications and engineer's estimate and authorize calling for bids.
2. Set the bid opening for 2:15 p.m. on February 23, 2006, in the Department of Public Works conference room.
3. Direct the Clerk of the Board to advertise the attached Notice to Contractors for a ten-day period beginning January 28, 2006, in accordance with the provisions of Public Contract Code Section 20392.

4. Direct Public Works to return on or before March 14,2006, with a recommendation for award of the contract.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
