RE: LTCIC Representation from Santa Cruz County Medical Society

Dear Ms Gondreau,

Although there are four year terms for Commission Representatives to mirror the terms of the Supervisors, the Santa Cruz County Medical Society has a policy of **two** year stints of duty for it's member representing them on outside committees, councils and commissions.

We would like to thank Dr. Todd S. Mitchell for his **two** years of service and ask the Board of Supervisors to appoint another of our active members, Dr. Robert P. Quinn for the next two years.

If you need more information or an application, please let Dr. Quinn and I know. We would hope this transition can take place at the March meeting and before the **April** meeting.

This action was taken by the Santa Cruz County Medical Society Board of Governors officially on Tuesday, February 21, 2006.

Sincerely,

Marcus Kwan, MD
 Executive Director
 Santa Cruz County Medical Society
