ANNUAL REPORT ON PERFORMANCE EVALUATIONS

Dear Members of the Board:

Personnel Regulations adopted by your Board require that department heads assure the completion of performance evaluations for all County employees. The County Administrative Officer is responsible for including such elements in department head evaluations. The Personnel Department distributes a report to departments and the County Administrative Officer on a quarterly basis to monitor this requirement.

We are pleased to report that all departments completed all performance evaluations in a timely manner for the 1997 reporting period. This was due to the committed efforts of each department and the Personnel Department staff.

It is RECOMMENDED that your Board accept and file this report.

Very truly yours,

Dania Torres Wong
Personnel Director
