### CONTINUANCE OF BOARD CONSIDERATION OF CHANGES TO CHAPTER 17.10

Members of the Board:

The Planning Department was scheduled to return to your Board on April 28, 1998, with proposed revisions to County Code Chapter 17.10. Although a draft of the ordinance has been completed, additional time is needed for further staff review and consideration prior to presenting these changes to your Board.

It is therefore RECOMMENDED that your Board continue consideration of the ordinance amending the inclusionary housing requirements of County Code Chapter 17.10 to the agenda of June 9, 1998.

Sincerely,

ALVIN D. JAMES  
 Planning Director
