**REQUEST TO ADVERTISE BONNY DOON REPLACEMENT
FIRE STATION PROJECT**

Dear Members of the Board:

Plans and specifications for the Bonny Doon Replacement Fire Station project have been prepared by the County of Santa Cruz General Services Department and Teal Messer, Architect, working in conjunction with the Bonny Doon volunteer company and CDF/County Fire staff. All environmental reviews have been completed and the plans approved. Funds for this project are budgeted in the plant budget Index 194020, Subobject 6610, for the work which is anticipated to be completed in the late fall of fiscal year 1998/99. The cost for construction of the project is estimated at \$410,532.

It is therefore **RECOMMENDED** that your Board take the following actions:

1. Approve plans and specifications on file with the Clerk of the Board for the Bonny Doon Replacement Fire Station project;
2. Direct the General Services Department to advertise for bids;
3. Set the bid opening for 10:45 a.m. on June 23, 1998.

Very truly yours,

ROY HOLMBERG, Director
