SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: COUNTY SERVICE AREA NO. 56, **FELTON GROVE**
(5TH DISTRICT)

Members of the Board:

On March 24, 1998, your Board approved a resolution of intention to establish County Service Area No. 56, **Felton Grove**. On that date you also approved an engineer's report and directed Public Works to begin ballot procedures. Further, your Board set May 19, 1998, as the hearing date to take testimony and accept ballots for the 1998/99 benefit assessments. At the close of the May 19, 1998, public hearing, your Board continued consideration of actions related to the establishment of County Service Area No. 56, **Felton Grove**, and directed Public Works to count ballots and return at today's meeting with a tabulation.

The proposed County Service Area No. 56, encompasses 12 acres and contains 59 parcels. The proposed 1998/99 benefit assessments are set at \$250.00 per buildable parcel. Ten parcels within the boundary are considered unbuildable and will therefore not be assessed.

Ballots were mailed to 49 affected property owners within **Felton Grove**. Of these 49 ballots, 31 were returned to Public Works with 29 "yes" votes, and 2 "no" votes. As this tabulation confirms that the majority of the property owners are in favor of both the establishment of the CSA and the assessment for road maintenance and operations, Public Works is now requesting that your Board take the appropriate actions to establish CSA No. 56, **Felton Grove**, accept the balloting results and authorize and levy an assessment.

It is therefore recommended that the Board of Supervisors take the following action:

1. Adopt the attached resolution establishing County Service Area No. 56, **Felton Grove** for the purpose of road maintenance and operations.
2. Accept the attached certification of the results of County Service Area No. 56, **Felton Grove** balloting, and direct the Director of Public Works to retain the ballots for at least six months following the certification.

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

- 3. Adopt the attached resolution authorizing and levying an assessment for road maintenance and operations within County Service Area No. 56, **Felton** Grove for **1998/99** and each year following.

Yours truly

RESOLUTION NO. _____

On the motion of Supervisor _____

Duly seconded by Supervisor _____

The following resolution is adopted

**RESOLUTION AUTHORIZING AND LEVYING
AN ASSESSMENT FOR ROAD MAINTENANCE AND OPERATIONS WITHIN
COUNTY SERVICE AREA NO. 56, FELTON GROVE
FOR 1998-99 AND EACH YEAR FOLLOWING**

The Board of Supervisors of the County of Santa Cruz makes the following recitals:

1. Basic Policy. This Board has heretofore conducted proceedings under the statutes authorizing the levying of Special Assessments and desires to bring its assessments for road maintenance and operations services into conformity with the provisions of Article XIID of the California Constitution for the Fiscal Year 1998-99 and each year following.

2. Engineer's Report. Article XIII. On March 24, 1998, this Board received for filing a written Engineer's Report supporting the proposed assessments prepared by a registered professional engineer certified by the State of California which pursuant to Article XIII, Section 4 of the Constitution contains all of the following:

A. Identifies and describes all parcels which have a special benefit conferred on them and on which the assessment will be imposed;

B. Determines the proportionate special benefit derived by each identified parcel in relationship to the entirety of the cost of the road maintenance and operations service to be provided;

C. Determines that no assessment is imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel; and

D. Determines that the only benefits assessed are special and that the general benefits have been separated from the special benefits conferred on each parcel.

3. Resolution of Intention. Based on the Engineer's Report on March 24, 1998, this Board adopted its Resolution of Intention which,

A. Set a public hearing and protest pursuant to Article XIID, Section 4 of the Constitution, and

B. Directed the Clerk to give a notice of the filing of the report and the time and place of the hearing set by it by publication and to each property owner whose property would be subject to the assessment at least 45 days before the date set for the public hearings and specified the contents of the notice, all in the manner required by law.

4. Notice Clerk of this Board gave notice in the manner directed by this Board and as required by law.

5. Public Hearing. At the time and place set forth in the notice, this Board conducted the public hearing in the manner required by law and heard and considered all objections and protests to the report referred to in the notice, heard and determined all protests as required by law, and tabulated all ballots.

6. Protest Failed. The ballots submitted in opposition to the assessment did not exceed the ballots submitted in favor of the assessment, weighting the ballots according to the proportional financial obligation of the **affected** property.

7. Findings the interest of County Service Area No. 56, **Felton Grove**, its inhabitants, and its property owners to levy the assessment as proposed.

NOW, THEREFORE, BE IT RESOLVED, ORDERED, AND FOUND by the Board of Supervisors of the County of Santa Cruz as follows:

1. Findings the foregoing recitals is true and correct.

2. Authorization. This Resolution and the benefit assessment authorized herein is adopted pursuant to Government Code Section 25210 and Article XIII, Section 4 of the Constitution.

3. Purpose of the Assessment. The express purpose for which this benefit assessment is levied is to provide a source of funding for County Service Area road maintenance and operations.

4. Determination of Necessity. The level of road maintenance and operation services which can be provided is determined to be reasonably adequate to meet current needs.

5. Limitation upon Expending Assessment Proceeds. Any funds collected from the benefit assessment authorized by this Resolution shall be expended only for such road maintenance and operations services to benefit the County Service Area No. 56. Any unexpended funds raised by the assessment remaining at the end of the fiscal year shall be carried over for the same purpose in the next fiscal year.

6. Levy. A benefit assessment to raise revenue to fund road maintenance and operations services is hereby levied upon real property within the County Service Area No. 56, **Felton Grove**, excepting any common areas, unbuildable parcels, and parcels with an assessed value of \$5,000.00 or less.

7. Assessment Rate. For the fiscal year 1998-99 and each year thereafter the rate of assessment is as follows:

A. The assessment rate for 1998-99 for all parcels shall be:

\$250.00 per buildable parcel

Common areas, parcels which have been determined to be unbuildable by the Planning Department or Environmental Health regulations, and parcels with an assessed valuation of \$5,000.00 or less, will not be charged.

B. For each fiscal year after 1998-99, the assessment rate may be increased by a percentage which does not exceed the percentage increase in the Consumer Price Index, All Urban Consumers, for the San Francisco/Oakland Metropolitan Area, as published by the U.S. Department of Labor, Bureau of Labor Statistics, (or in any price index which replaces that index in the future) for the prior calendar year. The assessment rate will be increased only when necessary to meet approved expenses, and would not increase automatically each year. **If in** any year the assessment rate is not increased, or is increased by an amount less than the increase in the Consumer Price Index, the difference between the rate of the increase in the assessment rate and the rate of increase in the Consumer Price Index will remain available for use in future years to raise the assessment rate as necessary to meet approved expenses.

C. The lien date shall be that prescribed by law

D. The foregoing schedules and rates are based upon a flat fee for each parcel. The assessment is proportional to the special benefit derived by each identified parcel in relationship to the entirety of the cost of the property related service being provided. No assessment exceeds the reasonable cost of the proportional special benefit conferred on that parcel.

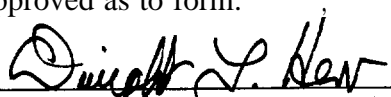

9. Collection. The collection of the assessment determined and levied by this Resolution shall be by the County of Santa Cruz on behalf of the County Service Area No.56, Felton Grove, in the same manner, and subject to the same penalties, as other fees, charges, and taxes fixed and collected by or on behalf of all County Service Areas. The County may deduct its reasonable costs incurred for that service before resubmittal of the balance to the account of the County Service Area No. 56.
