SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz CA 95060

SUBJECT: JOSE AVENUE ROAD BUMPS

Members of the Board:

The residents of Jose Avenue have submitted an application for the installation of two road bumps along with a petition of affirmation signed by 77 percent of the residents in the affected area (map attached). The Public Works Department has also received the attached letter required by the Road Bump Policy from the Live Oak School District in support of the road bumps. The Central Fire Protection District policy on road bumps states, "It is not this Department's policy or standard to promote the installation of speed bumps that would encroach upon any alley, lane, or street utilized by the Central Fire Protection District."

The residents of Jose Avenue have complied with all the provisions of the Policy, and the street meets all the eligibility requirements for placement of road bumps. The Policy requires approval by the Board of Supervisors prior to the placement of the bumps. The residents will be required to pay \$2,000, which is one half the cost of the installation of the new bumps.

It is therefore recommended that the Board of Supervisors adopt the attached resolution authorizing the placement of road bumps on Jose Avenue.

Yours truly,

JOHN A. FANTHAM
Director of Public Works

Dear Herb:

Mary Eicher, who lives on Jose Avenue asked if the Live Oak District objected to speed bumps on Jose Avenue.

I checked with transportation and the Superintendent of our District. The District does not object to speed bumps on Jose Avenue.

If you have any questions, please call me at 475-5887.
