As a Program Manager for Child Protective Services with the Human Resources Agency, my participation on the Children's Commission can provide a useful link for the Commission in terms of understanding program issues and trends in Child Welfare. I would be replacing Ellen Ortiz as the HRA representative to the Commission.

Besides my MSW and License in Social Work, I have been employed with the County for 20 years in both Adult and Children's positions. With this experience, I have developed an understanding of laws, risk issues, community standards, and resources that pertain to Child Welfare.

The link between HRA and the Children's Commission is important, particularly with the many changes occurring in Child Protective Services related to program operations and legal requirements such as expedited timelines to obtain permanent homes for children. Also, as welfare reform unfolds, there will be significant issues pertaining to the care and supervision of children.

Thank you for considering my application as the HRA representative to the Children's Commission.
