Dear Members of the Board:

Sutter Maternity and Surgery Center is pleased to request the appointment of Laurie Draughon M-D as our representative to the Santa Cruz County Domestic Violence Commission. Dr. Draughon, who personally experienced the pain of growing up in a violent family situation, provides a uniquely sensitive perspective in addressing this complex and devastating issue.

We are grateful to be a part of the much needed and important work of the Commission in safeguarding the women and children of the County of Santa Cruz. We feel Dr. Draughon can make a significant, heartfelt contribution to these efforts due to her own experience. We are very pleased and grateful that she consented to have her name submitted for Board approval as our representative.

Sincerely,
