County of Santa Cruz

SUBJECT: **SCHEDULE A PUBLIC HEARING TO CONSIDER APPLICATION 95-0685
(BAILEY/STELTENPOHL)**

Members of the Board:

On May 13, 1998 the County Planning Commission referred Application 95-0685 to your Board with a recommendation to approve the project. This project, located on the coastal side of Highway 1 in Davenport, includes a proposed rezoning. The rezoning makes this a Level 7 project which requires approval by your Board. The Planning Commission also directed staff to investigate, with Caltrans, methods for improved pedestrian safety at the Davenport segment of Highway 1 before bringing this project to your Board for consideration. Caltrans has now conducted their field work at the project vicinity and has informed County staff that a final report on their recommendations will be completed by mid-August. This information will be presented to your Board for consideration during the scheduled public hearing.

It is therefore RECOMMENDED that your Board schedule a public hearing for September 22, 1998 at 1:30 p.m. to consider the Planning Commission's recommendation on Application 95-0685.

Sincerely,

ALVIN D. JAMES
Planning Director
