RE: THE MONTE FOUNDATION ANNUAL FIREWORKS BENEFIT

Dear Members of the Board:

As some of you know, the Monte Foundation is already planning for its annual fireworks show that will help raise funds for local schools.

The event will be held October 10, 1998, at **Seacliff** State Beach. Because the event is at night, a large lighting system is necessary. In the past, the Department of Public Works, at the request of the Board, has generously donated the use of two generators and staff time to deliver and operate the generators.

This has been a tremendous help to the Monte Foundation in ensuring the event is a success, and the organizers have asked for the use of the generators again this year.

It is therefore recommended that the Board direct the Department of Public Works to make arrangements with the Monte Foundation for the weekend use of two generators for this community event.

Sincerely,

WALTER J. SYMONS, Supervisor  
Second District
