APPLICATION FOR APPOINTMENT TO A COUNTY ADVISORY BODY

INSTRUCTIONS

If you are interested in serving on a County Advisory Body please complete the following application and return it to the Board of Supervisors, 701 Ocean St., Room 500, Santa Cruz, California. If you are interested in being considered for more than one advisory body a separate application should be submitted for each appointment you are seeking;

Upon receipt, your application for appointment will be routed to each Board member and then filed for further consideration by Board members when there is a vacancy on the advisory body. If a Supervisor is interested in nominating you for appointment, the Supervisor will contact you and discuss the appointment, the appointment process, and requirements for the advisory body in question.

Please specify below the Commission/Committee or Board to which you are seeking appointment and provide the requested information.

Thank you for your interest in County Government.

I am applying for an appointment to the Santa Cruz Metropolitan Transit District Board. I am a registered California Traffic Engineer (TR0473). I received my BS and MS Degrees in Civil Engineering from San Jose State University, with an emphasis in traffic engineering. I have worked as a traffic engineer in public and private positions.

My subsequent experience includes work as a general contractor (CA # 278967), developer, commercial property manager and mortgage broker. I am knowledgeable in financial analysis, funding, budgeting, and implementation for construction and property management. I am also well-versed in all phases of construction, planning, plan preparation, permit processing, bidding, scheduling and supervision.

As a life time student of traffic and transportation issues, I have volunteered my expertise in traffic matters such as the General Plan Review of Housing and Transportation Elements for the City of Scotts Valley.

I have been a resident of Scotts Valley for over 20 years and recognize the need to maintain and improve region wide mobility. Higher occupancy ridership, private and mass transit, must be a major objective of the Santa Cruz County transportation plan.

I believe that my academic background, experience, and passionate interest qualify me for the appointment to the Santa Cruz Regional Transportation Board, and give me confidence that I can make a valuable contribution to this board.
