Independent Contractor Agreement with Appleby & Co.

Dear Members of the Board:

Last September you approved an AB8 18 funded contract with Appleby & Company to scan 60,000 cancelled parcel maps. To date, the maps have been scanned and the viewing software installed. However, we will require additional training on the electronic document management system that is part of the software. There are still funds available under the contract for this training.

It is therefore RECOMMENDED that your Board:

1. Approve the Amendment to Agreement #7 1520 extending the period of the contract to December 31, 1998.

Very truly yours?
