STATEMENT OF QUALIFICATIONS

I have worked in the environmental health and safety field for over twenty years. Fifteen of those years were in programs directly related to hazardous materials management, control and emergency response (see resume' attached). I would enjoy working with a diverse group to identify issues and make recommendations regarding the prudent management of these materials within the Santa Cruz County Community.

I would also like to take a more active role in larger community. My background and work in a variety of environmental, public health and safety, and public and private work environments gives me the perspectives needed to make sound decisions regarding the environment and public health of the community as it relates to hazardous materials management.

Thank you for your consideration of my application.
