DEFER REPORT ON FAMILY PRESERVATION AND SUPPORT PROGRAMS

Dear Members of the Board:

On September 23, 1997, your Board directed the Human Resources Agency (HRA) to report back on today's agenda with an update on the Family Preservation and Support Programs (FPSP) as well as fiscal actions and proposed contracts for FPSP activities in Federal Fiscal Year 1998/99. At this time, HRA is negotiating the proposed FPSP contracts with community service providers for FFY 1998/99. As more time is needed to complete the contract negotiations, HRA proposes to defer the report on FPSP to October 6, 1998.

IT IS THEREFORE RECOMMENDED that your Board defer the report on Family Preservation and Support Programs to October 6, 1998.

Very truly yours,

Cecilia Espinola (smt)
