**LAFCO #856 - Santa Clara County Parks and Recreation Boundary Adjustment Between  
Santa Clara County and Santa Cruz County**

Dear Members of the Board:

As your Board is aware, the County of Santa Clara Parks and Recreation District (SCCPRD) has requested that Santa Cruz County approve a County Boundary Adjustment with Santa Clara County to allow expansion of Mount Madonna Park. Your Board received the most recent report on the boundary adjustment process on August 4, 1998. By copy of that report, LAFCO was notified of your Board's support for the boundary adjustment.

Your Board had previously directed that the LAFCO process be completed prior to final actions being taken by your Board to approve the boundary adjustment. In order for LAFCO to approve this adjustment, it is necessary for your Board to take action regarding the distribution of property taxes. After the boundary adjustment goes into effect, all property taxes within the adjustment area will be collected and distributed by Santa Clara County. For this reason, it is appropriate for your Board to approve a zero property tax exchange at this time.

IT IS THEREFORE RECOMMENDED THAT YOUR BOARD adopt the attached resolution providing for a zero property tax exchange for LAFCO #856 - Santa Clara County Parks and Recreation Boundary Adjustment Between Santa Clara County and Santa Cruz County.

Very truly yours, .
