SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street

SUBJECT: GREENWASTE DIVERSION PROGRAMS

Members of the Board:

On October 7, 1997, your Board received a final report on the County's Greenwaste Demonstration Program and directed Public Works to return in October 1998 with a report on the effects of full scale implementation of the Greenwaste Diversion Programs. Public Works is currently compiling greenwaste diversion information from the County- run programs and Waste Management's curbside collection program. Additional time will be needed to complete collection and analysis of the data and we are requesting deferral of the greenwaste diversion report until November **10, 1998.**

It is therefore recommended that the Board of Supervisors defer the report on Greenwaste Diversion Programs to November 10, 1998.

Yours truly,

For *Charlie A. Jones Jr.*
