Dear Members of the Board:

The membership provisions of County Code Chapter 2.106 were recently amended to add the Planning Director, or his designee, to the roster of members of the Disaster Council. Attached is a letter from Planning Director Alvin James indicating his selection of Assistant Planning Director Michael Dever to serve in this capacity. Accordingly, I recommend the appointment of Michael Dever to the Disaster Council, as the representative of the County Planning Director.

Santa Cruz County Board of Supervisors

Members of the Board,

On August 25, 1998, your Board approved an amendment to the County Disaster Council Ordinance to include the Planning Director or his designee as an additional member of the Council. This letter is to inform you that I have appointed Assistant Planning Director Michael Dever as my designee to represent the Department on the Council.

The Planning Department looks forward to active participation in the Council's disaster planning and coordination activities. Given his years of experience in disaster planning, response and recovery, I'm confident that Mr. Dever will prove to be a valuable participant on the Council.

Sincerely,

A handwritten signature in dark ink, appearing to read "Alvin D. James".
