SUBJECT: BURRELL CREEK CULVERT AT HIGHLAND WAY (SUMMIT ROAD)

Members of the Board:

On October 6, 1998, Public Works informed your Board that only one bid was received for the subject project and that the bid was unacceptable because it was higher than the available budget. Your Board directed Public Works to return on November 10, 1998, with a report on the progress for replacing the culvert.

Because replacement of this culvert is critical to maintain access in this area, Public Works maintenance crews are proceeding with the project.

It is therefore recommended that the Board of Supervisors accept and file this report

Yours truly,

For JOHN A. FANTHAM
Director of Public Works
