Dear Supervisor Symons:

Attached is my application for the County's Parks and Recreation Commission. I would be very honored to be appointed to the commission. I am interested in the work of the commission, especially as it pertains to assessing the needs and resources of the county for parks, open space, and cultural services. As a past president of the Cultural Council of Santa Cruz County I have had a very positive experience in working with the commission.

The Parks and Recreation Commission is also one of the commissions that directly impacts the youth of our county. Whether it is playing soccer or participating in an arts program these activities enrich a child's life.

Thank you for considering my application. Please do not hesitate to contact me if you need additional information.

Sincerely,

Jess Brown
Executive Director
