SANTA CRUZ COUNTY BOARD OF SUPERVISORS

 Santa Cruz, California 95060

SUBJECT: INTEGRATED WASTE MANAGEMENT LOCAL TASK FORCE

Members of the Board:

In April of 1990 your Board established the Integrated Waste Management Local Task Force in conformance with requirements of state law. The responsibilities of the Local Task Force, as prescribed by state statutes, are to advise in the preparation, periodic review and update of the Countywide Integrated Waste Management Plan and its components, the Source Reduction and Recycling Element, Household Hazardous Waste Element, Non-Disposal Facility Element and Siting Element. In addition, the Task Force provides inter-agency coordination in the development and implementation of the individual programs of these elements such as recycling, composting and related public education and information. As the Task Force is formally constituted as a County committee, it is necessary at this time to renew the two year term of this committee. A resolution to this effect is attached to this letter.

It is therefore recommended that the Board of Supervisors adopt the attached resolution to extend the term of the Santa Cruz County Integrated Waste Management Local Task Force to January 14, 2001.

Yours truly,

JOHN A. FANTHAM
 Director of Public Works
