RE: PROPOSED NEW STOP SIGNS

Dear Members of the Board:

The residents of Aptos have requested several new stop sign locations in order to improve traffic operations. Although the proposed stop signs do not meet State warrants, I feel that the stop signs would reduce speeding and improve safety at the proposed locations.

The first proposal is to convert the Via **Medici** and Calypso Drive intersection from a one-way stop to a three-way stop. Currently, the Via **Medici** approach is the only stop sign location at that intersection. The second location is at Dolphin Drive where there is only one stop sign at the intersection. That intersection is also proposed to be converted from a one-way stop to a three-way stop.

I therefore recommend that the Board adopt the attached ordinance in concept, allowing for the installation of new stop signs in the Aptos area, and place the ordinance on the next available agenda for final adoption.

Sincerely,

WALTER J. SYMONS, Supervisor
