Re: Private Industry Council

Date: October 26, 1998

Please **accept** this **letter** as my resignation from the Santa Cruz County **Private Industry** Council as **representative** for **K-12** schools. With my **retirement** and limited assignment, it is not **possible** for me to **continue** to provide a communication **structure** for the K-12 system. The K-12 slot needs to be held by a representative making daily decisions regarding job training options.

I have appreciated the opportunity to serve on the PIC and learn about JTPA and the development of the new welfare/CalWORKS program. I wish you well as you continue with the challenges of meeting the needs of both job seekers and job providers in Santa Cruz County, especially youth
