Board of Supervisors

**Utilization Of State Supplemental Law Enforcement Services
Funds Sheriff-Coroner Budget FY 97/98 and FY 98/99.**

Dear Members of the Board:

On September 16th 1997 your Board took actions necessary for the County to receive the second year allocation of State Supplemental Law Enforcement Services funds (SLESF), administered through the State of California Citizens Option For Public Safety Program. This second year of funding commenced on October 1, 1997 to fund expenditures through September 30, 1998. As part of your actions in September 1997, your Board appropriated second year SLESF funds into the Sheriff Coroner budget for FY 97/98 and subsequently approved the appropriation of the balance of these funds into the Sheriff Coroner FY 98/99 budget for the final quarter of the award period (7/1/98-9/30/98).

Since its inception in 1996, State Law Enforcement Services Funds have been used in the Sheriff Coroner budget primarily to fund five new deputy sheriff positions, in order to expand front line law enforcement in this community. In addition to providing the continued funding for these five positions, the second year SLESF funds were used to finance patrol overtime and vehicle maintenance costs for new patrol cars, purchased with Federal funds for the new patrol deputies.

The 1997-98 SLESF funds were received from the State in September 1997 and deposited into an interest bearing County SLESF Trust fund as required by State regulations and as authorized by your Board. The Sheriff Coroner portion of these funds totaled \$310,296. Over the subsequent twelve month funding period, the

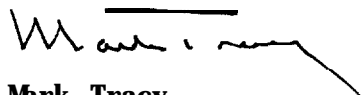

second year SLESF award and the associated interest earned on those SLESF Trust funds was fully utilized for authorized SLESF expenditures in the Sheriff Coroner budget. Final SLESF expenditures totaled \$318,911 over this period.

Working closely with the County Auditor Controller's Office we have concluded that several final fiscal actions are appropriate and necessary to properly manage, track and report the utilization of the 1997-98 SLESF award. These actions include the appropriation of the unbudgeted SLESF interest into the Sheriff Coroner budget which was used to help finance the salary and benefits costs of the five SLESF deputy sheriffs during the first quarter of FY 98/99 and the realignment of expenditure appropriations in budget categories in the SLESF Trust needed to fund the related expenditures during the grant period. The Auditor Controller's Office concurs with these fiscal actions as appropriate and necessary.

Therefore it is recommended that the Board:

1. Adopt the attached Resolution accepting and appropriating unanticipated revenue in the amount of \$8,615.41 from interest earned from the Sheriff's portion of SLESF Trust funds over the 12 month period from October 1, 1997 through September 30, 1998.
2. Approve the attached internal realignment of Sheriff Coroner SLESF Trust fund appropriations in Trust 72727, index 131294 to accommodate actual fund expenditures over the 12 month period commencing on October 1, 1997 and ending September 30, 1998.

Very truly yours,

Mark Tracy
