SUBJECT: PROPOSED COUNTY PURCHASE OF TAX DEFAULTED PROPERTY

Members of the Board:

The Real Property Division of the Public Works Department, as directed by your Board, has reviewed the list of properties proposed to be sold by the Santa Cruz County Tax Collector at public auction in 1999.

The Board, by Resolution No. 39-82, authorized the acquisition for public purposes parcels located within designated pre-1937 substandard subdivisions. The parcels listed in Exhibit "A" include those tax defaulted properties located within designated substandard "paper" subdivisions. The Real Property Division is proposing to exclude four parcels from those to be purchased due to potential liability hazards and high costs. The Real Property Division has adequate funds budgeted for this type of property acquisition in its 1998/99 budget. The total amount required to purchase the properties listed in Exhibit "A" is \$7,062.00. To continue Board policy and proceed with the acquisition, your Board must "object" to the sale of these parcels at the public auction.

It is recommended that the Board of Supervisors take the following action:

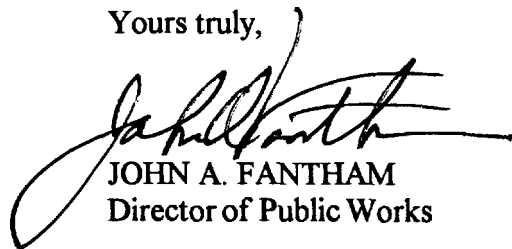

1. Object to the sale of the parcels listed in Exhibit "A" at public auction by the County Tax Collector.

- 2. Adopt the accompanying Resolution approving and accepting the purchase of those parcels listed in Exhibit "A", authorize the Auditor-Controller to charge the Real Property Management budget \$7,062.00 for the purchase cost and authorize the Chair to execute the attached six copies of the Agreement to Purchase.

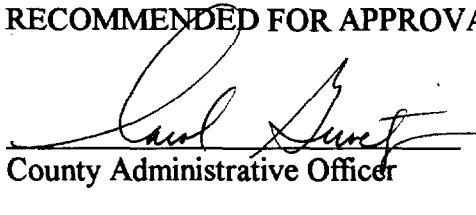

Yours truly,

JOHN A. FANTHAM
