Dear Board of Supervisors,

Three years ago my husband, daughter and I moved from the town of La Honda in San **Mateo** County to the city of Santa Cruz. At the time I felt some uncertainty about the move. I was definitely feeling too isolated in La Honda since I had stopped working after the birth of our daughter. Yet I was worried that I wouldn't like living in a city after spending the previous eight years living in a rural area. It didn't take long, only a few months, before we knew that we wanted to make Santa Cruz our home permanently. This is where we wanted to raise our children.

This community has given a tremendous amount to **my** family and me. I believe strongly that we need to give back to our community in whatever ways we can. In order to learn more about the County and the complexity of issues facing it, I enrolled in the Leadership Santa Cruz County program this fall. For the past two years, I have also been actively involved on the Board of my daughter's preschool, **Westside** Parent Education Nursery School. I enjoy my work with the school, and I believe I will always be involved in my children's education, but I would like to broaden the scope of my involvement **in** the community. Becoming a parent has opened my eyes to the myriad of challenges facing families and children in this area. This is why I am interested in serving on the Children's Commission as an advocate for all children and all families in our County. I can bring to this position my experience as a parent of two small children, along with my passion and dedication to whatever work I take on. I also have excellent organizational and computer skills.

I am excited about the opportunity to serve on this commission. I look **forward** to hearing from you when there is an opening in my District.

Sincerely,

Patty **Quillin**
