### AGENDA: FEBRUARY 23, 1999

February 10, 1999

SANTA CRUZ COUNTY BOARD OF SUPERVISORS  
 701 Ocean Street  
 Santa Cruz, California 95060

SUBJECT: ROY WILSON YARD - GROUNDWATER MONITORING

Members of the Board:

On April 14, 1998, your Board approved an amendment to the subject contract with Terratech, Inc., that provided the funding to investigate the extent of soil and groundwater contamination from two underground fuel tank leaks at the Department of Public Works' Roy Wilson Yard. The investigation is proceeding according to schedule; however, extensive negotiations were required this year with the Braycovich property where one of the monitoring wells is located.

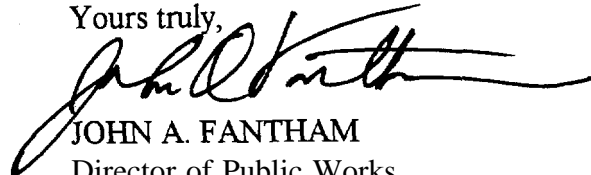

The unanticipated expenditures have depleted the funds for the final phase of this contract, which is to formulate and submit the Corrective Action Plan to the State Regional Water Quality Control Board. We are now writing to request approval to amend the related Independent Contractor Agreement by increasing the contract amount by \$2,100 in order to complete this phase of the remediation project. Sufficient funds are available within the Department of Public Works' Roads and Yards Internal Service Funds to cover the cost of this contract.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the attached amendment to the agreement from Terratech, Inc., in the amount of \$2,100.

2. Authorize the Director of Public Works to sign the amendment to the agreement.

Yours truly,

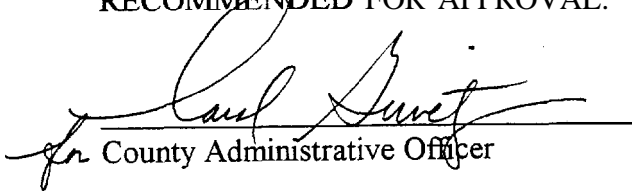

JOHN A. FANTHAM  
Director of Public Works
