RE: PROPOSED NEW MULTI-WAY STOP SIGNS AT THE  
 EL DORADO AVENUE AND HARPER STREET/HARPER  
 COURT INTERSECTION

Dear Members of the Board:

This letter is submitted for consideration of installing new multi-way stop signs at the El Dorado Avenue and Harper Street/Harper Court intersection. Although the proposed multi-way stop signs do not meet State stop sign warrants, I feel that the multi-way stop signs will reduce speeding and improve safety at the proposed location. In addition, the stop signs will provide for improved pedestrian safety at the intersection, since Harper Court will serve as the new pedestrian entranceway to the future Jose Avenue Park. I have a petition from over one hundred neighbors asking for the stop signs.

It is therefore recommended that the Board of Supervisors adopt the attached ordinance for the installation of a multi-way stop sign at the El Dorado Avenue and Harper Street/Harper Court intersection and place the ordinance on the next available agenda for final adoption.

Sincerely,

  
 JANET K. BEAUTZ, Supervisor  
 First District
