RESOLUTION

Concerning Abandonment of certain roads in Mount Hermon Park by Santa Cruz County To Mount Hermon Association, namely *Pine, Forest, Prospect, Summit* and a portion of *Conference Drive*.

Whereas Mount Hermon historically has maintained, controlled and signed these roads,

whereas these roads were incorrectly inventoried, in approximately 1948, as County roads,

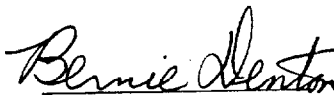

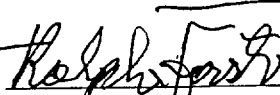

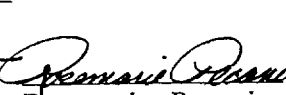

Whereas the County counsel's opinion is that the roads are probably private,

Whereas all of the other roads in the Park are private,

Whereas the Association and the County have thoroughly investigated this matter for several years,

Whereas lastly, that the majority of the people who live on these Roads approve Abandonment.

We, therefore, as the elected officers of the Mount Hermon Homeowners and Residents group, recommend that the Abandonment process expeditiously proceed to completion.
