SUBJECT: WELL PUMP WATER SYSTEM AT POLO GROUNDS COUNTY PARK NOTICE OF COMPLETION

Dear Members of the Board:

On February 23, 1999, the Well Pump Water System at the Polo Grounds County Park Project was completed. The Contractor for the project was F&M Engineering Contractors, Inc. The original bid was \$66,440.00. Construction change orders increased construction costs by \$530.00, for a total construction cost of \$66,970.00.

This project included upgrading the existing well pump and control system to provide on demand water for the irrigation system at the Polo Grounds County Park. A contact change order was issued in the amount of \$530.00 to recalibrate the flow meter. The contract was also extended from October 9, 1998 through February 23, 1999, due to a factory delay in shipping the control unit and recalibrating the flow meter.
