SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street

Santa Cruz, California 95060

SUBJECT: WASTE REDUCTION GRANT PROGRAM PROPOSAL

Members of the Board:

In accordance with the Waste Reduction Grant Program Procedures approved by your Board on June 3, 1997, the grant evaluation team convened on February 10, 1999, to rate a grant application from Santa Cruz Recycling Alliance Project (SCRAP), which proposed to purchase a vehicle to provide more efficient and expanded cardboard recycling collection service to customers. The evaluators gave the proposal a **qualifying** score.

SCRAP was organized in 1993 as a consortium of local small recycling businesses operating within Santa Cruz County and is now wholly owned by the California Gray Bears. On November 10, 1993, your Board first approved a contract with SCRAP to provide for the collection and recycling of cardboard from commercial sources located within the city of Scotts Valley. This contract was funded through the County Service Area 9C Refuse Budget, of which the City of Scotts Valley is a member. Your Board approved contracts and amendments with SCRAP in subsequent years, continuing through March 1998 at a level of \$50,000 per year.

Over the years SCRAP's customer base has grown from 70 businesses in Scotts Valley in the first year to more than 250 located from the San Lorenzo Valley to mid-county. The quantity of cardboard recycled has increased from 30 tons per month to more than 100 tons. SCRAP's work has been of significant benefit in assisting the County toward achieving its goal of reducing landfill disposal by 50 percent in the year 2000, as mandated by State law AB939.

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

Page -2-

In 1998 SCRAP was able to supplant the need for ongoing County subsidies by charging its customers a modest fee to cover the operating costs of the recycling service. This transition to fee-for-service was one of the County's goals when the initial contract was negotiated with SCRAP in 1993, but was unattainable before the refuse rate structure changed in November 1997 as a result of the County's new refuse and recycling franchise agreement,

In this grant proposal, SCRAP seeks to upgrade its collection equipment. SCRAP currently operates with two old trucks dating from 1979 and 1985, retired from the cities of Watsonville and Santa Cruz garbage collection fleets. The City of Santa Cruz has offered SCRAP a newer vehicle, a 1987 Heil 5000, at a discounted price of \$10,000. An additional \$5,000 is included in the grant contract as a contingency fund for any unanticipated repairs or maintenance required during the first year to keep the newly acquired truck in operation.

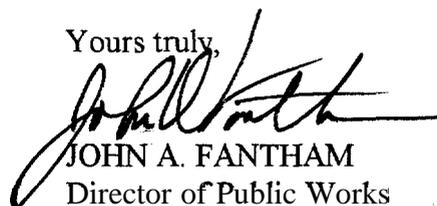

This grant would assist SCRAP in carrying out its multi-year plan to expand its collection and assume cardboard accounts, which Waste Management has agreed to transfer to SCRAP. SCRAP plans to finance this future expansion through a combination of more efficient operations, predicted improvement in scrap cardboard market prices, and, if necessary, an additional request for County grant funds.

In accordance with the Waste Reduction Grant Program Procedures, Public Works has negotiated a contract with SCRAP, which is attached for your Board's approval. Total cost for the proposed project is \$15,000, and sufficient funds are available in the CSA 9C Solid Waste Budget for this purpose.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve an Independent Contractor Agreement with Santa Cruz Recycling Alliance Project for the purchase of a cardboard collection vehicle for a not-to-exceed amount of \$15,000.
2. Authorize the Director of Public Works to execute the contract on behalf of the County of Santa Cruz.

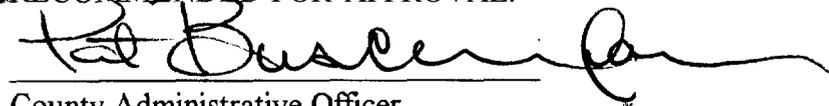

Yours truly,

JOHN A. FANTHAM
Director of Public Works

Such action shall include, but not be limited to the following: recruitment; advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training (including apprenticeship), employment, upgrading, demotion, transfer. 8. INDEPENDENT CONTRACTOR STATUS. CONTRACTOR and COUNTY have reviewed and considered the principal test and secondary factors below and agree that CONTRACTOR is an independent contractor and not an employee of COUNTY. CONTRACTOR is responsible for all insurance (workers compensation, unemployment, etc.) and all payroll related taxes. CONTRACTOR is not entitled to any employee benefits. COUNTY agrees that CONTRACTOR shall have the right to control the manner and means of accomplishing the result contracted for herein.

PRINCIPAL TEST: The CONTRACTOR rather than COUNTY has the right to control the manner and means of accomplishing the result contracted for.

SECONDARY FACTORS: (a) The extent of control which, by agreement, COUNTY may exercise over the details of the work is slight rather than substantial; (b) CONTRACTOR is engaged in a distinct occupation or business; (c) In the locality, the work to be done by CONTRACTOR is usually done by a specialist without supervision, rather than under the direction of an employer; (d) the skill required in the particular occupation is

substantial rather than slight; (e) The CONTRACTOR rather than the COUNTY supplies the instrumentalities, tools and work place; (f) The length of time for which CONTRACTOR is engaged is of limited duration rather than indefinite; (g) The method of payment of CONTRACTOR is by the job rather than by the time; (h) The work is part of a special or permissive activity, program, or project, rather than part of the regular business of COUNTY; (i) CONTRACTOR and COUNTY believe they are creating an independent contractor relationship rather than an employer-employee relationship; and (j) The COUNTY conducts public business.

It is recognized that it is not necessary that all secondary factors support creation of an independent contractor relationship, but rather that overall there are significant secondary factors which indicate that CONTRACTOR is an independent contractor.

By their signatures to this Agreement, each of the undersigned certifies that it is his or her considered judgment that the CONTRACTOR engaged under this Agreement is in fact an independent contractor.

9. CONTRACTOR represents that its operations are in compliance with applicable County planning, environmental and other laws or regulations.

10. CONTRACTOR is responsible to pay prevailing wages and maintain records as required by Labor Code Section 1770 and following.

11. NONASSIGNMENT. CONTRACTOR shall not assign this agreement without the prior written consent of the COUNTY.

12. RETENTION AND AUDIT OF RECORDS. CONTRACTOR shall retain records pertinent to this Agreement for a period of not less than five (5) years after final payment under this Agreement or until a final audit report is accepted by COUNTY, whichever occurs first. CONTRACTOR hereby agrees to be subject to the examination and audit by the Santa Cruz County Auditor-Controller, the Auditor General of the State of California, or the designee of either for a period of five (5) years after final payment under this Agreement,

13. PRESENTATION OF CLAIMS. Presentation and processing of any or all claims arising out of or related to this Agreement shall be made in accordance with the provisions contained in Chapter 1.05 of the Santa Cruz County Code, which by this reference is incorporated herein.

14. ATTACHMENTS. This Agreement includes the following attachments:
