Ms. Mardi Wormhoudt, Supervisor

Dear Ms. Wormhoudt:

It is with both joy and regret that I must resign my position on the Long Term Care Interagency Commission. I am leaving my work at Del Mar Caregiver Resource Center to stay home and be mom to the baby that my husband and I expect to adopt in the next few weeks.

After having served four years on the Commission, I have found the Commissioners to be a group of dedicated local people who are committed to improving conditions for all individuals receiving long term care, either in home or in facilities. This is an exciting time for the Commission, particularly with the development of the Long Term Care Integration Pilot Project and the attendant possibilities of developing a truly meaningful and responsive long term care system in our County.

I have asked the Director of the Del Mar Caregiver Resource Center, Robert Phillips, to invite the person who replaces me at the agency to apply for a position on the Long Term Care Commission as the Representative of a Caregiver Resource Center. This is an important piece of the work that we do at Del Mar in providing services for family caregivers of people with brain impairments such as Alzheimer's Disease, stroke and traumatic brain injury.

I have very much enjoyed my work on the Commission and have appreciated the opportunity to be involved in my community on such an important project. If there is any way I can be of help in the future, please be sure to let me know.

Sincerely,

Lois Dell-Sones
