RE: DEFERRAL OF REPORT FROM ENVIRONMENTAL HEALTH TASK FORCE

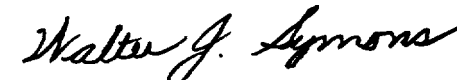

Dear Members of the Board:

As Board members will recall, on February 2, 1999, the Board authorized the formation of an Environmental Health Task Force charged with undertaking a thorough investigation of the concerns conveyed by members of the public related to the services provided by the Environmental Health Department. The Task Force was directed to return to the Board on April 27, 1999, with a report on its findings and any recommendations for Board action.

The Task Force held three community meetings, two in the San Lorenzo Valley and one in Aptos, two general Task Force meetings, and a final meeting is scheduled for April 29, 1999. In order to allow time for the Task Force to complete its work and formalize its recommendations, we recommend that the Board defer the report of the Environmental Health Task Force until May 4, 1999.

Sincerely,

JEFF ALMQUIST, Supervisor
Fifth District

WALTER J. SYMONS, Supervisor
Second District
