Dear Sir or Madam:

In regards to my interest in serving on the advisory body for the Equal Employment Opportunity Commission. I have many reasons why I would like to serve on this body, one being that I enjoy serving the community and enhancing the quality of life of those who **live** among it. The other is that I feel that my experience and versatile background gives me the ability and insight that is needed when dealing with inequality and issues regarding race, national origin, age, sex, or handicap.

As I have stated, I have had much experience **in** dealing with the community either **in** a work environment or on a volunteer basis. I have worked for **non-profit** agencies **for the last 10** years. **In** these positions, I have had a tremendous amount of **exposure** in **working** with community and dealing with individuals from different backgrounds. I also, have the experience of owning and **managing** a business, which gives me a balanced **perspective** regarding the hiring process and the value of employees.

Sincerely,

Elena Moya
