JOHN A. FANTHAM
DIRECTOR OF PUBLIC WORKS

AGENDA: MAY 4, 1999

April 27, 1999

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

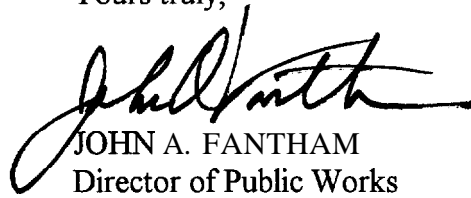

SUBJECT: WASTE CHARACTERIZATION STUDY

Members of the Board:

On December 15, 1998, your Board approved a contract with Brown, Vence and Associates to conduct a Waste Characterization Study. The purpose of this project is to identify the composition and source of refuse that continues to enter the County landfill and to develop recommendations, based on these results, which will enable the county to focus its resources and diversion efforts on those specific components of the wastestream that will achieve the state's 50% landfill disposal reduction mandate. The project involves sampling of randomly selected loads of refuse at the Ben Lomond Transfer Station and the Buena Vista Landfill. Due to unforeseen circumstances involving the refuse collection equipment and delivery schedules, the sampling process has required more labor hours than originally projected. It is therefore necessary to amend the contract with Brown, Vence and Associates to increase the compensation amount by \$8,272.00. Sufficient funds are available in the Public Works Solid Waste budget to accommodate this additional cost.

It is therefore recommended that your Board approve the attached Amendment to Agreement with Brown, Vence and Associates to increase the not-to-exceed compensation amount to \$157,475.00 and authorize the Director of Public Works to sign the agreement on behalf of the County.

Yours truly,

JOHN A. FANTHAM
Director of Public Works
