RE: Consideration for Nomination for the Santa Cruz County  
Children and Families First Commission

Honorable Mardi Wormhoudt:

Enclosed please find my application for appointment as a Third District representative to the Children and Families First Commission

I have 15 years of experience working in the nonprofit sector in Santa Cruz County. Over the years, I have gained a broad range of knowledge and skills related to the provision of community-based services from delivery of senior services to provision of basic needs, support and educational programs for families and children. In addition, as former Co-Chair of the Latino Strategic Planning Collaborative, Member of the Latino Affairs Commission, and Member of the Steering Committee of the United Way Community Assessment Project, I know the value in working cooperatively and effectively with all sectors of the community in developing and implementing strategic plans that will promote the quality of life for at-risk residents of Santa Cruz County.

I look forward for the opportunity to work collaboratively with a diverse and skilled members of the newly formed commission as well as the community to expand and strengthen the county-wide efforts to improve the overall health and well-being of young children in Santa Cruz County.

Thank you for taking the time to consider my application. If you should require any additional information, please feel free to call me at 728-6171.

Sincerely,

Ana Espinoza
