APPLICATION FOR APPOINTMENT TO LONG TERM CARE INTERAGENCY
COMMISSION

STATEMENT OF QUALIFICATIONS

I work with residents of skilled nursing and residential care facilities daily, I recognize the need for community **awareness of** and involvement in the care and conditions this population faces. Though their lives have become somewhat more visible in recent years they are still a sub-population of the senior population within our community who need to be heard.

Because of the work I do as an Ombudsman and my interest in all aspects of our cultural attitude toward this population, from community awareness to legislative efforts, I feel I have the qualifications to make me a valuable candidate for this commission.
