### REQUEST TO DEFER REPORT ON **CAPITOLA** ROAD BETWEEN SEVENTH AVENUE AND THIRTIETH AVENUE

Dear Members of the Board:

In January of 1999, as part of approving a Route Concept, your Board directed Public Works and Redevelopment staff to initiate a community input process for developing a formal plan line for Capitola Road and report back to the Board on or before June 8, 1999, with any additional recommendations arising from that process.

Given the number of other project commitments made by the Redevelopment Agency, the staff will be unable to complete the community input process as previously scheduled.

It is therefore **RECOMMENDED** that the Board of Supervisors defer consideration of this report on Capitola Road between Seventh and Thirtieth Avenues until September 21, 1999.

Very truly yours,

Tom Burns  
Redevelopment Agency Administrator
