 DISTRICT ENGINEER

AGENDA: June 15, 1999

June 3, 1999

BOARD OF DIRECTORS  
 DAVENPORT COUNTY SANITATION DISTRICT  
 701 Ocean Street  
 Santa Cruz, CA 95060

SUBJECT: UTILITY RIGHT OF WAY ACCEPTANCE - DAVENPORT OLDTOWN  
 SEWER RECONSTRUCTION PROJECT AT MARINE VIEW AVENUE

Members of the Board:

The Public Works Department will be installing a sewer main starting in late summer, 1999, in a portion of Marine View Avenue as part of the Davenport Oldtown Sewer Reconstruction Project. This section of Marine View Avenue was offered to the County but never accepted as part of the County's maintained road system. To install the sewer main it will be necessary for your Board to accept a public utility right-of-way for Marine View Avenue.

It is therefore recommended that the Board of Directors adopt the attached resolution accepting the right-of-way for the portion of Marine View Avenue shown on the attached plan.

Yours truly,

JOHN A. FANTHAM  
 District Engineer
