**APPROVED AND FILED
BOARD OF SUPERVISORS**

DATE: *5/18/99*
COUNTY OF SANTA CRUZ
SUSAN A. MAURIELLO
EX-OFFICIO CLERK OF THE BOARD

AGENDA: MAY 18, 1999

May 7, 1999

BY *Alicia Mendez* DEPUTY

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: MORRELL ROAD, P.M. 0.24, 0.80, 0.90, DSR NUMBERS 00262, 59798
AND 00261 AND OLD SANTA CRUZ HIGHWAY, P.M. 1.05, DSR NO. 15292,
STORM DAMAGE REPAIR (EVENTS NO. 1044, 1046, AND 1155)

Members of the Board:

The plans, specifications, and engineer's estimate for the subject storm damage repair project are now complete and presented here for your consideration and approval. The work provides for the repair of road **slipouts** at each of the four subject sites, which resulted from the major storm events in 1995 and 1997. This project will provide for the construction of rock slope protection and commensurate drainage facilities at the four subject locations.

The project, as presented, is limited to those repairs included in the approved Damage Survey Reports (**DSR**), so as to return the damage sites to their original predisaster condition. The plans and specifications thus provide for a repair which essentially matches the existing roadway in the vicinity of the repair site, pursuant to the Federal Emergency Management Agency's (FEMA) approved scope of work and available funding. In those instances where the funding approved for a DSR falls short of the actual bid price, we will submit a supplemental **funding** request to FEMA requesting that they cover the full cost of repair.

The engineer's estimate for this work is \$175,000 including contingencies. **Sufficient** funding for the project was included in the approved 1998/99 Road Program.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the plans, specifications, and engineer's estimate and authorize calling for bids for the Morrel Road/Old Santa Cruz Highway storm damage repair project.
2. Set the bid opening for 10:45 A.M. on June 15, 1999.
3. Direct the Clerk of the Board to advertise a Notice to Contractors for a fifteen-day period beginning May 22, 1999, in accordance with the provisions of Public Contract Code Section 20392.

Yours truly,

JOHN A. FANTHAM
Director of Public Works
