SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: MOUNT HERMON ROAD BRIDGE, STATE BRIDGE NO. 36C-0092
BEAR CREEK ROAD BRIDGE, STATE BRIDGE NO. 36C-0084
SEISMIC RETROFIT, FEDERAL PROJECT NO. STPLZ-5936(020)
DELAY OF CONTRACT AWARD

Members of the Board:

Following the bid opening on June 8, 1999, for the subject bridge seismic retrofit project, your Board directed Public Works to return on or before June 22, 1999, with our recommendation of award. However, since this is a federally funded program, administered through the California State Department of Transportation, the bid award must first be processed through their offices. Unfortunately, this could not be completed in time for us to return to your Board before the end of this month.

It is therefore recommended that the Board of Supervisors direct Public Works to return on August 3, 1999, with the results of the June 8, 1999, bid opening and its recommendation of award for this contract.

Yours truly,

JOHN A. FANTHAM
Director of Public Works
