BOARD OF SUPERVISORS

County of Santa Cruz
701 Ocean Street
Santa Cruz, CA 95060

SUBJECT: Report Back on Progress of Contract with Monterey County
Emergency Medical Administrative Services

Dear Board Members:

On May 18, 1999, your Board authorized the Health Services Agency Administrator to sign an agreement with Monterey County for Emergency Medical Services Administration. HSA was directed to report back on August 3, 1999, regarding the implementation of the agreement.

The agreement was never finalized, as the Monterey County Administrator's office decided not to take the agreement to the Monterey County Board of Supervisors for approval. HSA has continued to manage the EMS program with existing HSA management staff, has reopened the recruitment for the EMS position, and continues to discuss part time staff support with several persons.

It is, therefore, recommended that your Board:

1. Accept and file this report regarding the proposed Monterey County Emergency Medical Administrative Services contract.

Sincerely,

Charles M. Moody
HSA Administrator
