APPROVAL OF CALIFORNIA DEPARTMENT OF EDUCATION AGREEMENTS FOR CHILD CARE SERVICES: FAPP-9068, GAPP-9070, G2AP-9060, F2AP-9263, AND F3AP-9072

Dear Members of the Board:

As you know, the Human Resources Agency (HRA) contracts with the California Department of Education (CDE) to provide subsidized child care services to eligible families in Santa Cruz County, including CalWORKs participants. These contracts will fund more than \$2 million in child care services in our community. The purpose of this letter is to request that your board act on the contracts for child care services discussed in this letter for the 1999-2000 fiscal year.

Agreement FAPP-9068 for the Child Care and Development Block Grant program provides subsidies to parents who are income eligible and establish a qualifying need for child care services, for activities including employment, limited job search, and employment training. A family is income eligible if the family's adjusted monthly income is at or below seventy five percent of the State median income, adjusted for family size. The agreement provides a total of \$700,724 for these services.

Agreement GAPP-9070 for the Alternative Payment Program also provides subsidies to parents who are income eligible or receiving public assistance, and who establish a qualifying need for child care services from a list similar to that of FAPP. In addition to basic eligibility and income priority requirements, the program also considers children who are receiving child protective services or are at risk of abuse or neglect as an immediate priority regardless of income. A total of \$703,253 is provided for these services in the GAPP agreement.

In addition, CDE has issued two contracts to HRA in order to serve CalWORKs participants whose welfare to work activities and child care needs have stabilized, and those participants who are making the transition from cash grants to self-sufficiency. Agreement G2AP-9060 in the amount of \$55 1,747 and F2AP-9263 in the amount of \$238,140, are the contracts through which

HRA will provide child care services to these CalWORKs participants.

Finally, F3AP-9072 provides child care subsidies to income eligible families who have successfully transitioned off public assistance. This agreement is for a total of \$84,095.

All of these agreements, along with funding terms and conditions, which describe the requirements for each agreement, are on file with the Clerk of the Board. Funds were allocated for these services in the 1999-2000 Human Resources Agency budget, and therefore, no additional budgetary action is required.

The agreements with the Department of Education described in this letter will provide for essential supportive services to assist families in our community. IT IS THEREFORE RECOMMENDED that your Board take the following actions:

1. Adopt the attached Resolution certifying your Board's approval to accept Agreement FAPP-9068 with the California Department of Education for \$700,724 (Attachment 1), and authorize the Human Resources Agency Administrator to execute Agreement FAPP-9068 and to make subsequent minor changes thereto when appropriate and necessary;
