**AGENDA: AUGUST 17, 1999**

August 6, 1999

BOARD OF DIRECTORS  
DAVENPORT COUNTY SANITATION DISTRICT  
701 Ocean Street  
Santa Cruz, California

SUBJECT: DAVENPORT OLDTOWN SEWER RECONSTRUCTION PROJECT  
DEFERRAL OF CONTRACT AWARD

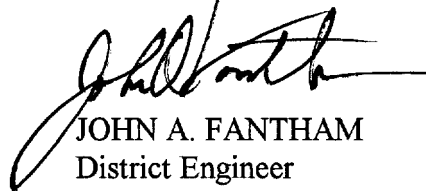

Members of the Board:

On August 3, 1999, the District received three bids for the construction of the subject project. The low bid was received from Wysong Construction of Atascadero, California, in the amount of \$619,240. The engineer's estimate was \$661,000. The bid documents and other relevant information have been sent to the funding agencies for their review and approval. Staff has asked for an accelerated review by these agencies so that we can begin construction as soon as possible.

It was our intention to return to your Board today and ask approval to award the contract. However, until we receive funding agency approval we cannot recommend award of the contract. We anticipate approval in the next few days and ask that your Board defer award until August 24, 1999.

It is therefore recommend that your Board defer award of the Davenport Oldtown Sewer Reconstruction Project until the August 24, 1999, meeting.

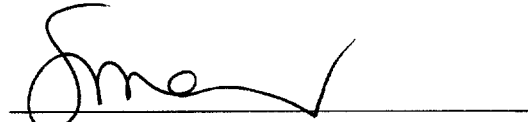

Yours truly,

JOHN A. FANTHAM  
District Engineer
