CONTRACT APPROVAL FOR COMMUNITY PROGRAMS AWARDED SUPPLEMENTAL FUNDING

Dear Members of the Board:

On June 21, 1999 your Board considered and approved requests for supplemental funding for twelve new and continuing community programs organizations, as recommended by the HRA Administrator. Your Board directed the HRA Administrator to negotiate with the designated organizations and to return to your Board on August 24, 1999 with recommendations for final contract approval. To avoid unnecessary duplication, HRA staff is negotiating the contracts of the twelve programs awarded supplemental funding at the same time all other community program contracts are being processed. Contract negotiations with community programs are now in the final stages, and it is anticipated that this work will be complete by the end of the month. In order to provide the additional time to prepare all the community program contracts for approval, we are requesting that your Board defer this item.

IT IS THEREFORE RECOMMENDED that your Board defer the contract approval for community programs awarded supplemental funding to your September 28, 1999 meeting.

Very truly yours,

Cecilia Espinola (Ed)
