SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: ANNUAL PAJARO STORM DRAIN MAINTENANCE DISTRICT
MAINTENANCE CONTRACT WITH CALIFORNIA CONSERVATION CORPS

Members of the Board:

The California Conservation Corps has once again agreed to make its crew available to the County to assist with vegetation clearing for the purpose of flood control in the various drainage channels and creeks in the Pajaro Storm Drain Maintenance District (PSDMD). The California Conservation Corps' crew work will involve hand cutting, clearing and thinning of willow growth and underbrush on channel slopes and within the channel bottom.

The work will be completed this year in conjunction with channel maintenance work scheduled by our crew and the California Conservation Corps at a cost of \$13,950. The necessary funding is included in the approved 1999/2000 Pajaro Storm Drain Maintenance District budget.

It is therefore recommended that the Board of Supervisors take the following action:

1. Authorize the Director of Public Works to sign the Agreement for \$13,950 with the California Conservation Corps for work to be done in various drainage channels and creeks in the PSDMD in 1999/2000.

2. Direct the Clerk of the Board to return the signed agreement to Fred Corbin, Project Coordinator, California Conservation Corps, 757 Green Valley Road, Watsonville, CA 95076.

Yours truly,

JOHN A. FANTHAM
Director of Public Works
