Job Creation Plan for CalWORKs Recipients

Dear Members of the Board:

On August 10, 1999 your Board accepted a report of the Job Training Task Force, which directed the County's Economic Development Coordinator to incorporate the Task Force's recommendations into a Job Creation Plan which targets CalWORKs recipients. At the same time, your Board referred the report to the Interim Workforce Investment Board for review and comment.

Pursuant to your Board's direction, recommendations from the Job Training Task Force have been incorporated into a proposed Job Creation Plan, which is required to be reviewed by your Board and submitted to the State by September 30, 1999. In order to conform to your Board's desire that the Interim Workforce Investment Board (WIB) review and comment on recommendations of the Job Training Task Force, this office will forward the proposed Job Creation Plan to the WIB for consideration at their next meeting, which is scheduled for September 23, 1999. To accommodate the WIB's review, it is recommended that this office defer the Job Creation Plan to your Board's agenda of September 28, 1999. This date will allow the County to meet the State's deadline of September 30, 1999.

It is therefore recommended that the County Administrative Office defer the report on the County's Job Creation Plan for CalWORKs recipients to September 28, 1999.

Very truly yours,

SUSAN A. MAURIELLO
County Administrative Officer
