SOUTH COUNTY PERMIT CENTER

Members of the Board:

On May 4th and again on August 3rd, 1999 your Board accepted our reports on the status of efforts to establish a Planning Department Permit Center in South County. We were directed to return on September 21st with an update on our efforts.

We are continuing to work with the County's Real Property Division to survey the Aptos and Rio Del Mar areas for suitable facilities. We are also working with the County Administrative Office and Real Property to incorporate in our assessment of suitable locations the facility needs of other County agencies.

To allow sufficient time to complete review of potential locations and to prepare recommendations, we will provide your Board with a follow-up report on or before your meeting of November 23rd, 1999.

Sincerely,

ALVIN D. JAMES
Planning Director
